

We've Gone VIRTUAL!!!

Wisdom Sharing 2021

September 23 – 25

Coming live to your home or office! We have converted the in-person conference in Alabama to a virtual conference.

AGI's annual Wisdom Sharing – professional development for boards, CEOs, senior staff and executive assistants in the practice of Coherent Governance®

We all looked forward to a new year, one that held promise for a safer in-person Wisdom Sharing 2021. For a while, that promise seemed to be real. But COVID and its variants have proved to be a formidable adversary. We are going virtual instead.

While we cannot replace the advantages of this invaluable face-to-face experience, 2021 Virtual Wisdom Sharing will continue its standard of providing the premier annual learning and sharing event for CG practitioners!

ADVANTAGES:

- Reduced registration fee to \$550 per person for Wisdom Sharing (9/24-25). For those already registered, we will refund the difference!
- Maintained \$150 per person for the one-day Reinventing Your Board session (9/23).
- Travel expenses eliminated for all.

BONUS: Our hosted social event on Friday evening, September 24, will include a Tasting Experience of wine and beer with gourmet snacks – delivered by us to your home address! **We must have your registration by Sept 3rd to guarantee delivery of your libation basket!**

More details will be released soon.
